“AFTERCARE” - OUR PROGRAM IN THE AFTERNOON

“We work hand in hand with the Kindergarten to make sure we continue the excellent educational development your child experiences in the morning. We focus on each child's interest to make sure that they are cared for holistically. Special attention will however always be given to their emotional and social needs – it has been a long day of learning for them.”

The Aftercare team would herewith like to give you a brief overview of the program, so that all parents have a clear understanding and a better idea of what happens after school.

Children that stay at Kindergarten after 12h30 have the option of a freshly cooked meal. Lunch is served from 12h30 and children eat together with their friends. The children that are not part of the supplied lunch can bring pre-packed lunches from home, which we will gladly heat up for them – they can then join in and eat with their friends.

At 14h00 children enjoy about 45 minutes of quiet time. We offer a range of relaxing activities like storytelling, listening to story books or calming music. This is an opportunity for the children to unwind and gather strength for the afternoon. We request that all parents please try and avoid fetching their child during this time.

For our younger children that still like to nap, we provide little beds and a quiet room. Please bring a blanket and a pillow for your child to have here at the Kindergarten. If your child does not need to nap anymore, please let us know.

At 14h45 we offer a little snack, followed by free play, creative art or games. Sometimes we are involved in longer term projects & themes. We might then ask children to bring books/games that are theme-related.

You will find an attendance register and a play date/collection list by the glass door at the office. The attendance register has to be signed daily when you fetch your child. Please remember to fill in the playdate list if your child is being fetched by someone else. It is important that the amendment is noted clearly in this list.

Aftercare ends at 17h00 sharp. Late collections will be charged a penalty according to our late collection policy.

Please book aftercare through the online form:
