“AFTERCARE” - OUR PROGRAM IN THE AFTERNOON

Our aftercare provides a safe environment where the children can play; rest and engage in constructive activities under nurturing supervision. Special attention will always be given to their emotional and social needs – it is a long day of learning for the children after all.

The Aftercare team would herewith like to give you a brief overview of the program, so that all parents have a clear understanding and a better idea of what happens after school.

The Kindergarten offers a cooked lunch with fresh fruit and veg, daily, which can be ordered online. Children can bring pre-packed lunches from home, which we will gladly heat up for them. Lunch is served from 12:15 and children eat together with their friends.

Aftercare officially starts at 13:00. At 14:00, we do a roll call, thereafter the children enjoy some quiet or relaxing time. We offer a range of relaxing activities like storytelling, listening to story books or calming music, creative art and constructive board games. This is an opportunity for the children to unwind and gather strength for the afternoon.

Please let us know if your little one still likes or needs a nap. We provide little beds and a quiet room. To make it more comfortable please bring a blanket and a pillow for your child to have here at the Kindergarten.

We request that parents please try not to disturb quiet time between 14:00 and 15:00.

Before 15:00 we offer a little snack for everyone, followed by free play time. Free play allows the children to use their own curiosity, creativity and imagination to play freely under supervision.

You will find a collections list and an afternoon arrangements book/list by the door at the office. The collections list must be signed daily when you fetch your child. Please remember to fill in the afternoon arrangements list if your child is being fetched by someone else. Only authorised persons will be allowed to collect your child. If they are regularly collected by another person such as a granny or carer this can be indicated on the online aftercare booking form.

Aftercare ends at 17:00 sharp. Late collections will be charged a penalty according to our late collection policy. Parents must notify the aftercare team or the Kindergarten office if there are any changes to the collection time either via telephone or email.

Please book aftercare for the CBD and Wynberg through the online form:
